PERFORMING ARTS

**Results of LAMDA Speaking of Verse and Prose
Examinations taken in November 2011**

P = Pass (50-65) M = Merit (65-79) D = Distinction (80-100)

Sixty eight children took their LAMDA exams in November. For twenty one of them it was their first LAMDA exam. Our examiner was the popular and experienced Mrs Gillian Docherty. She was on a return visit from last year and was accompanied on the first day by a senior colleague who, was ‘examining the examiner’. The children were not fazed when confronted with two examiners and presented their work proudly. It proved an enjoyable and valuable experience with each child receiving a full and personal report as well as a prestigious certificate.

This year, every child passed with either Merit or Distinction. Seven children received marks of 90 or higher. Special congratulations go to: Georgina Hinton–Carroll, Fay Dodd, Georgina Muir, Lara Williams, Emily Bagley and the top-scorer Phoebe Hatrick. Congratulations to all the girls for working so hard and doing so well, and to the new girls taking their first LAMDA exam.

Full results are listed below.

Certificates were given out at the last assembly of term and the reports will be discussed during the girls first lesson of next term, unless specifically requested by a parent or child.

Lastly, I would like to thank the Year 6 ASMs who assisted so ably during the exam sessions. Thank you also to Penny Clark for generously loaning three members of her staff to assist with the sessions, and to those staff members themselves: Fiona Thomson, Geri Hickman and Amanda Cowley.

My thanks and congratulations to all involved. Wishing you a merry and peaceful Christmas.

Andrea Bird.
