

Year 6 - Chinese New Year

On Monday St Hilary's celebrated the Chinese New Year of the Dragon in style.

In addition to the whole school lunch, Mrs Marshall and parent, Mrs Johnson, very kindly organised a special Chinese lunch for all Year 6 girls. They were fascinated to watch the stir fry being prepared and thoroughly enjoyed the feast which included: spring rolls, prawn rolls, calamari, prawn crackers and even chicken feet!

Mrs Johnson demonstrated how to use chop sticks with varying success among the girls who found creative techniques. "I absolutely loved the stir fry" Emily Bagley remarked. "The noodles were delicious but tricky to manage" added Annabel Muir. To finish they were given traditional Chinese fortune cookies and haw flake, a Chinese sweet. Zoe Saunders and Katie Grove found Chinese financial advice in their cookie, "You have to speculate to accumulate".
