

Congratulations to our Year 6 pupils who took part in the Primary Mathematics Challenge 2011. Last year, more than 84 000 pupils in 2 361 schools participated in this nationwide challenge.

The PMC is a test with multiple-choice problems which interest pupils and are mathematical. It is aimed at the top 60% of pupils in Years 5 and 6 England and Wales, P6 and P7 in Scotland, and Years 6 and 7 in Northern Ireland. High-scoring pupils are then invited to take the PMC 'Bonus Round' in February 2012.

The St Hilary's girl's did exceptionally well with a large number achieving Gold, Silver and Bronze Awards. A well done to Serena Johnson who achieved the highest result.

Gold

Eva Smith
Trinity Kershaw
Phoebe Hatrick
Emily Bagley
Rebecca Wells
Serena Johnson

Silver
